

Ulrich Schneider – Director of the *Foundation Peace Dialogue of World Religions and Civil Society*

Whether Evangelical or Ecumenical Church Days, whether the consecration of the Frauenkirche in Dresden or the anniversary of the Reformation – the trained economist Ulrich Schneider has a lot of experience when it comes to major religious events. As Director, project consultant or organizational leader, he has contributed his expertise at a number of religious events over the past 20 years. Since 2018, his project has been called *Ring for Peace*. Building on last year's *1st Assembly on Women, Faith & Diplomacy* in Lindau and on the *10th World Assembly of Religions for Peace 2019*, he aims to raise awareness of the role of the young generation as actors for the global peace process.
