RELIGIONS FOR PEACE
10. WORLD ASSEMBLY
20 to 23 AUGUST IN LINDAU

Press Conference 6 August 2019, 10:00 AM
Municipality Lindau

Gisbert Baarmann, sculptor of the Ring for Peace sculpture:

"Whether the variety of wood species in this world is comparable to the diversity of beliefs is difficult to say, but the beauty of any wood species is hard to beat."

"The Möbius strip, a wooden circle where the inside and the outside become one, is built of many individual elements that unite to form a special ring, a ring for peace."
