

RELIGIONS FOR PEACE
ASSEMBLY ON WOMEN, FAITH AND DIPLOMACY

**Join us in displaying sign of peace across the
world**

On Wednesday, 11 November at 6:30pm, *Religions for Peace* and *Ring for Peace*, are encouraging the inhabitants of Lindau, Germany - the host city for our *Assembly on Women, Faith, and Diplomacy* - to place a candle in their window as visible sign of peace and unity that crosses ethnic, religious, and physical borders. We want to extend this invitation to the rest of the world as well, and are asking all those interested to do the same.

Here in Lindau (and in observation of all required COVID-19 measurements) both *Religions for Peace* and *Ring for Peace* will be having a physical *Peace and Light Ceremony* (you can read more about it on our website, <https://www.rfp.org/women-faith-diplomacy/>). As the public cannot be present like they have in past years, we are live-streaming this event. We hope participants will join in virtually in addition to placing a peace candle in their window.

If you do participate, we ask that you publish a picture of your peace candle here: <https://wfd2020.ringforpeace.org>. We will share your picture on our social media accounts. If you plan on sharing that picture on your personal Twitter or Instagram, please include the hashtag #RfPpeacelight.

We hope you can join us in this event and remind anyone who does participate to be safe and not leave unattended candles burning.
